(Zachary Light) Announces the Release of his Debut Album **'Light.'**!

FOR IMMEDIATE RELEASE

New York City, New York – Zachary Light is thrilled to announce the release of 'Light.' the album will be available everywhere on **4/22**.

'Light.' is a journey through growth and understanding. A search for something deep within. It's a collection of uplifting experimental worldly vibrations expanding many genres. The first single, 'sea(ee)' will be out 4/4 at zacharylight.com and zacharylight.bandcamp.com

Zachary Light is an experimental multi-instrumentalist, producer, songwriter, and artist originally from Texas. He has been playing music for sixteen years.

"A glimpse into Utopia. This subject matter and concept could never be reiterated enough." - Jordan Dunbar (Dallas Morning News, JDUN0820) on, 'PIC KIT UP (UNITY)'

"A true imprint and time capsule of an artist that has grown to embody working with countless individuals from many backgrounds." - Jordan Dunbar (Dallas Morning News, JDUN0820)

"A sonic, conscious, reflective, and spiritual journey. When played through it's entirety has something for every listener even those not of the english tongue." - Jordan Dunbar (Dallas Morning News, JDUN0820)

"An album that truly transcends the culture of music through dope sounds and lyrics while sending the mind through a galactic vibrational wave in search of peace and light."
- Kaliem Johnson (JetSetters)

[Zachary Light 2019 – Light Productions].
